Who is it for?	Boys & girls ages 8-14	Boys & girls ages 6-18	Boys & girls ages 6-18	Boys & girls 10+
What do I get?	Group training focusing on overall development and creating a well-rounded basketball skill set.	Specialized small group training with other players of similar position, size, and development needs.	Individualized training specific to the player to maximize development.	Individualized training focusing specifically on shooting repetitions.
What is taught?	Offensive and defensive basketball techniques and philosophies to ensure a well-rounded basketball skill set that can be incorporated in to any basketball system.	Instruction specific to the needs of the group. An assessment of the group is made as to where they need to be in the future, and a plan is put in place to reach those development goals.	Instruction specific to the individual. An evaluation of the player will take place during the first training, then a long-term training plan is put in place specific to the individual.	A shooting plan specific to the individual to ensure maximum repetitions of game situation shots he/she will see in a real game.
